OPTIONAL EXTRA RESOURCE PACKS

Rest assured, there are hundreds of digital resources (including worksheets, cog print outs and symbol support sheets) available in the members area of our website to cater for all ages and stages of learners using Emotion Works, so you are under no obligation to purchase any of our 'optional extra' resources.

However, should your budget allow and you'd prefer to save yourself valuable preparation time and printing ink, we do supply additional resource packs with features such as ready cut symbols and wipe-clean surfaces, as shown.

As a social enterprise we'd be delighted to have your support and investment in our organisation, and to welcome you as part of the Emotion Works community.
